(b) the funds allocated for the construction of toilets, State-wise; and

(c) the details of most successful States in construction of toilets?

Answer

MINISTER OF STATE IN THE MINISTRY OF DRINKING WATER & SANITATION
(SHRI RAMESH CHANDAPPA JIGAJINAGI)

(a) The Swachh Bharat Mission (Gramin) launched on 2nd October, 2014, with aim to attain Swachh Bharat by 2nd October, 2019, by providing access to toilet facilities to all rural households. The Guidelines of Swachh Bharat Mission (Gramin) was issued in December, 2014. Year-wise targets under SBM(G) are as under :-

Component	Year					Total Number
	14-15	15-16	16-17	17-18	18-19	
Individual household latrines(in crore)	0.6	1.2	1.5	1.7	1.84	6.84

(b) Since Swachh Bharat Mission (Gramin) is demand driven scheme, hence State-wise allocations are not made. However, State/UT wise year-wise, central share released during each of the last three years and the current year is at Annexure-1.

(c) The States of Sikkim, Kerala, Himachal Pradesh, Uttarakhand and Haryana have already been declared Open Defecation Free (ODF). Also, States of Gujarat, Rajasthan, Chhattisgarh, Madhya Pradesh, Arunachal Pradesh, Maharashtra, West Bengal, Assam, Odisha have registered good progress since the launch of SBM(G) on 2.10.2014.
